CLOUD SOFTWARE AS A SERVICE (SAAS) AGREEMENT

CONTRACT COMPARISON BENCHMARK • LEGALFLOW AI VAULT • REF: 02_Pair1_Saa

VERSION B — COUNTERPARTY CUSTOMER REDLINE

Effective Date: March 08, 2026

Version Status: Version B — Counterparty Customer Redline

Disclosing / First Party: Apex Cloud Technologies Inc.

Receiving / Second Party: Meridian Commercial Systems Ltd.

This Agreement is entered into by and between Apex Cloud Technologies Inc. and Meridian Commercial Systems Ltd. under the mutual covenants and terms outlined in the following sections:

1. Scope of Services

Provider grants Customer an irrevocable, enterprise-wide license to access and use the hosted Cloud Analytics Platform with a guaranteed 99.99% monthly service uptime commitment.

2. Fees and Payment

Customer shall pay discounted monthly subscription fees of $6,800. All invoices shall be payable within sixty (60) days from receipt of a verified itemized invoice.

3. Confidentiality

Each party agrees to safeguard Confidential Information in strict confidence for a period of sixty (60) months, excluding public domain data and independently derived information.

4. Intellectual Property

Provider retains platform IP. Customer retains exclusive title to all Customer Data, generated analytical reports, custom dashboard exports, and derived business intelligence.

5. Liability & Indemnity

Provider agrees to defend, indemnify, and hold harmless Customer against all third-party IP infringement claims with uncapped liability, excluding consequential damages.

6. Termination

Customer may terminate this Agreement without cause upon thirty (30) days written notice. Provider may terminate only upon ninety (90) days advance notice with full pro-rata fee refunds.

7. Renewal

This Agreement shall not renew automatically. Any extension shall require an affirmative written amendment signed by both authorized representatives at least 30 days prior.

8. Dispute Resolution

Any dispute arising out of this Agreement shall be resolved through binding arbitration in New York City under the Commercial Arbitration Rules of the American Arbitration Association.

9. Data Security

Provider shall maintain annual SOC2 Type II compliance, continuous penetration testing, and 256-bit AES encryption at rest and in transit for all Customer data stored on platform servers.
