AI-GENERATED SYNTHETIC TEST DOCUMENT

EMPLOYMENT AGREEMENT

Parties: Vertex Digital Solutions Pvt. Ltd. and Rohan Mehta

Purpose: This synthetic document is designed to test LegalGuard AI risk detection. It is not a real legal agreement and is not legal advice.

1. Appointment

The Employee is appointed as Senior Product Manager with a monthly salary of INR 1,10,000.

2. Non-Compete

For 36 months after employment ends, the Employee shall not directly or indirectly work for, advise, invest in, or provide services to any business anywhere in the world that competes with the Employer.

3. Non-Solicitation

For 36 months after employment ends, the Employee shall not solicit, approach, hire, employ or provide services to any employee, customer, supplier or business partner of the Employer.

4. Device Inspection

The Employer may inspect, copy, search or monitor any laptop, mobile phone, messaging account or storage device used by the Employee, at any time, without prior notice.

5. Termination

Either party may terminate employment in accordance with applicable law and the notice provisions of this Agreement.
