PROPRIETARY SOFTWARE LICENSE AND DISTRIBUTION AGREEMENT

This Proprietary Software License Agreement ("Agreement") is made effective September 10, 2026, by and between CyberCore Systems Ltd., a UK company ("Licensor"), and Alpha Global Enterprises Inc., a Delaware corporation ("Licensee").

WHEREAS, Licensor has designed and developed proprietary threat-detection middleware software known as CyberShield 5.0;

WHEREAS, Licensee desires to license and integrate the software into its enterprise network infrastructure.

1. License Grant and Installation

Licensor grants Licensee a non-transferable, revocable license to install and execute CyberShield 5.0 strictly on up to twenty (20) internal server cores.

2. Unilateral IP Assignment & Moral Rights Waiver

Licensee agrees that all custom adaptations, derivatives, and ip created shall belong exclusively to Licensor, and Licensee agrees to waive moral rights unconditionally prior to payment.

3. Asymmetric Liability Limitation

Licensor's total aggregate liability arising out of or related to this Agreement shall be strictly capped at 3 months of software licensing fees paid, while Licensee's liability remains uncapped.

4. Complete Disclaimer of All Warranties

The software is provided strictly 'as is' without warranty of any kind. Licensor disclaims all warranties, express or implied, including merchantability and non-infringement.

5. Technical Support and Updates

Licensor shall provide standard email support during business hours and release periodic maintenance patches for security bug resolutions.

6. Term and Revocation

Licensor may revoke this license upon thirty (30) days written notice in the event of uncured material default.
