FREELANCE SOFTWARE DEVELOPER AGREEMENT

1. Scope: Developer shall create custom mobile application software.

2. Unconditional IP Assignment: Developer irrevocably assigns all intellectual property rights and waives moral rights unconditionally prior to payment of developer fees.

3. Excessive Notice Period: Developer must provide 180 days prior written notice before terminating services, while Client may terminate immediately without notice.

4. Arbitrary Salary Deductions: Client reserves absolute unilateral right to deduct any amount from monthly developer payments without consent for alleged software bugs or delay.

5. Personal Liability: Developer accepts full uncapped personal liability for any system outage.
