REMOTE WORK & DEVICE SURVEILLANCE POLICY AGREEMENT

1. Remote Work Rules: Employee works remotely using personal and corporate computers.

2. Continuous Device Surveillance: Employer reserves right to monitor webcams, keystrokes, personal screen contents, and private network traffic continuously without prior notice.

3. Arbitrary Pay Deductions: Employer may deduct money from Employee paycheck for low activity scores without consent.

4. Uncapped Employee Indemnity: Employee indemnifies Employer for any data breach occurring on Employee home network without cap.

5. Immediate Dismissal: Failure to consent results in immediate termination without notice or severance.
