CLINICAL TRIAL RESEARCH & PATIENT DATA SPONSORSHIP AGREEMENT

This Clinical Trial Agreement is made between BioPharma Research Inc. ('Sponsor') and University Medical Center ('Institution').

1. CLINICAL PROTOCOL & PATIENT SAFETY

Institution shall conduct Phase II clinical trials for investigational drug BP-409 according to FDA guidelines.

2. SPONSOR INDEMNIFICATION

Sponsor agrees to indemnify Institution against patient adverse reaction claims resulting directly from drug administration.

3. PUBLICATION REVIEW

Institution shall submit proposed scientific publications to Sponsor 60 days prior to submission for IP review.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement.
