ENTERPRISE DATA CENTER COLOCATION & POWER AGREEMENT

This Colocation Agreement is made between CyberBunker Data Centers ('Provider') and Enterprise Cloud Corp ('Customer').

1. CABINET SPACE & POWER ALLOCATION

Provider allocates 10 Server Racks with 40kW redundant power in Facility Bay 4.

2. POWER RATE ESCALATION

Electricity charges shall automatically escalate by 8% annually or market power rate increase, whichever is higher.

3. PROVIDER LIMITATION OF LIABILITY

Provider aggregate liability for outages or server hardware destruction shall be strictly capped at $500 total.

4. CUSTOMER UNCAPPED INDEMNITY

Customer agrees to defend, indemnify, and hold harmless Provider from any data breach claims.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement.
